Sub:- Establishment - Temporary staff - South Kanara District - Antismuggling staff of coastal petrol 1951-52 - employment - Requested.

Ref:- G.O.Misc.2031 Food and Agricultural Department dated 24-10-1950.

In the above G.O. cited/the Government were pleased to sanction the employment of 15 police constables and 15 Revenue peons from November 1950 to May 1951 for a period of 7 months for prevention of smuggling of foodgrains by sea. This staff was disbanded with effect from 1-6-51 as there was no scope for smuggling by sea after May in every year due to the monsoon in this District.

The ban on movement of rice, paddy and other foodgrains from this district to places outside is still in force. Further after the abolition of rural rationing, there is likely to be greater temptation for the ryot to smuggle paddy and rice outside the district through country crafts all along the sea cost. It is therefore quite necessary to have an effective check and a vigilant watch over the sea coast of this district in the next khariff year also.

The staff employed in 1950-51 were working in the several coastal ports of this District as detailed below.
